Hi JD Teamsters:

Please cc me on what you send Sineta, or if you'd prefer, send your edits to me by 10am tomorrow and I'll fold them into others I'm collecting . Your edits to the OD talking points might work OK for these biweeklies (but be sure to tell me that). Note, though, the biweekly is Dave and Jim's opportunity to talk to Denise and Benita about Wetlands Division activities, issues and concerns. The biweekly TPs as a result are usually more detailed and can raise stuff to keep within OWOW for now. In other words, you might have some updates for the biweekly that didn't seem relevant or desirable to the OD TPs.

Thanks!
